No. Pg. 723, dated 23rd December 1898.

In exercise of the powers conferred by Section 2 of the Epidemic Diseases Regulation, 1897, the Government of Mysore are pleased to make the following Regulation, and to direct that it be added as Regulation 6A to the Original City Regulations published with Notification No. 9384—M. F. 21-96, dated 10th February 1898—

(1) *Demolition of buildings*.—If, in the opinion of the Chief Plague Officer or Health Officer, or of a Medical Officer deputed by the Senior Surgeon, or, in the absence of any such officer, of the Surgeon of the District, any building (not being a hut or shed) which has been vacated or which has been dealt with under any of the foregoing Regulations, cannot be adapted to the sanitary requirements of a dwelling or is otherwise permanently unfit for human habitation, or if its existence is a source of danger, the President may demolish the same or any part thereof.

(2) *Valuation*.—Prior to any such building being demolished, the President or other officer authorised by him in this behalf shall cause the same or such part thereof as he may consider necessary to demolish, to be surveyed and its value at the time to be assessed by such person as Government may, by name or by virtue of office, appoint for that purpose, and shall, by written notice, affix, on some conspicuous part of such building, the date (not being less than seven days from the date of such notice) and the hour at which the building will be surveyed and assessed as aforesaid; and the work of demolition shall not be commenced until the building or portion thereof has been surveyed and the value so assessed. The valuation of such building by such officer shall be final and conclusive, and the owner shall be entitled to receive the amount thereof (which shall be provided out of the Municipal Funds), but he shall not be entitled to receive any further or other sum by way of compensation.

(3) *Building materials*.—The materials of any building or part of a building demolished as aforesaid shall be the property of the Municipality, and shall be removed and disposed of or, if necessary, destroyed by the President.

(4) *Rule of Assessment*.—In assessing the value of any building, regard shall be had only to the then actual market value of the structure; and no allowance shall be made, nor shall any compensation be paid, for compulsory demolition or otherwise.

(5) *Adjournment*.—In the event of the person appointed to assess as above, being unable to complete the surveys and valuations of the houses at the hour and on the date for which notices have been issued, he shall have power to arrange with the owners of the buildings concerned to complete them on some subsequent date or dates convenient to both parties, without further reference to the President or other officer authorised by him as above.

(6) *Saving clause*.—The provisions of this Regulation are not intended to, and shall not operate to, limit in any way powers which the President may possess independently of the powers hereby conferred.

No. 8201—Mis 1836, dated 16th January 1899.

In continuation of Notification No. 8226—Mis. 1637, dated 18th January 1899, the undermentioned papers regarding the election of Fellows of the Calcutta University in January 1899 by Graduates of that University, living in the Mofussil, are published for the information of the graduates concerned—

(1) Letter No. 420—28, dated 15th December 1898, from the Deputy Secretary to the Government of India, Calcutta.

Sir,

In continuation of Home Department letter Nos. 330—338, dated 10th December 1897, I am directed to forward a copy of the marginally noted letter to the Registrar of the Calcutta University, regarding the election of Fellows of that University to be held in January next. I am to request that instructions may be issued to permit those graduates of the University, who are unable to appear in person at the Senate House, Calcutta on the 2nd January 1899, and take part in the election, to fill up their voting papers in the presence of a Magistrate or a Judicial Officer, as defined in this Department letter No. 6 Edn.—173-182, dated the 27th March 1895.

I have the honor to be,

Sir,

Your most obedient servant

(Sd.) H. LUSON,

Dy. Secy. to the Govt. of India.

Copy, with copy of enclosure, forwarded to the Foreign Department for information, in continuation of Home Department endorsement No 339, dated the 10th December 1897, with the request that similar instructions may be issued to Political Officers in Native States.

By Order,

(Sd.) H. LUSON,

Dy. Secy. to the Govt. of India.

2. Letter No. 368, dated Simla, the 5th November 1898, from A. H. L. Fraser, Esq., C.S.I., Officiating Secretary to the Government of India, Home Department, to the Registrar, Calcutta University—

I am directed to acknowledge the receipt of your letter No. 669, dated 20th September, inquiring whether there will be an election of Fellows by graduates of the Calcutta University in January next, and, if so, what number should be elected and what qualifications should be required in the case of the electors and the candidates. It is stated in your letter that there are nine vacancies in the Senate, caused by death and retirement.

(2) In the first place I am to point out that the statement of Fellows who have died or retired, given in your letter, does not seem to be correct. The name of Sir Alexander Mackenzie, K. C. S. I., is shown in the list of the Fellows who have retired, but it has apparently been overlooked that this vacancy is filled under Section VI of the Act of Incorporation by His Honor the present Lieutenant-Governor of Bengal. The name of Dr. G. King, whose resignation was reported to the Government of India with your endorsement No. 1279, dated 9th March 1898, is not included in the list. Making these two corrections, the number of vacancies stands at nine as stated in your letter.

3. His Excellency the Chancellor has decided to allow two of the vacancies in the Senate to be filled by election next year. One of these vacancies should be filled by a Bachelor in the Faculty of Engineering of ten years' standing or a holder of a higher degree in the same Faculty, and the other by a Master of Arts or a Bachelor of Arts who graduated before the year 1867. His Excellency has also decided that the electors must be either Masters or holders of a higher degree in some Faculty, or Bachelors of Arts who graduated before the year 1867.

No. 5843—*Fr. F.* 166-95, dated 23rd February 1899.

Under the provisions of Section 9 of the Forest Rules of 1878, the Government of Mysore are pleased to declare that the undermentioned demarcated plantations in the Mysore district shall be used as State Forests under Section 1 of the aforesaid Forest Rules.
